HOMEOWNER(S) AFFADAVIT

Englewood Municipal Code: Chapter 7, Section 5-7-2

Any homeowner(s) desiring to build, construct, alter, repair, add to or demolish a Group R-3 or Group U occupancy or any accessory building thereto, which is owned by, and is their primary residence of the homeowner(s); is not income or rental property, and the homeowner(s) are doing the work themselves.

I understand that if I hire anyone or have anyone outside of my immediate family to help me, they are required to obtain a contractor's license from the City of Englewood Building Division for the work they are doing.

In obtaining this permit, I hereby certify that I have sufficient knowledge and am qualified to complete the work encompassed by this permit. I will also request the appropriate inspections as work progresses and will not proceed until such inspections are approved.
