

Council Request Update

July 7, 2016

Council Request 16-124 (Ordinance for banners on poles)

Requested by: Councilmember Barrentine

Assigned to: Public Works/Parks, Recreation & Library

Request: Request for the ordinance that allows the City to hang banners on Xcel poles.

Response: Attached is Ordinance 60, Series of 2012. According to Acting Public Works Director Dave Henderson, subsequent to the passage of this Ordinance, Xcel Energy developed a policy to allow banners. The policy requires Xcel to perform a structural evaluation of each pole a City proposes for banners. Staff has requested an evaluation of all 56 Xcel streetlight poles on Broadway between Yale to Hwy. 285.

Council Request 16-125 (low voltage lighting in Paseo)

Requested by: Councilmember Barrentine

Assigned to: Public Works/Parks, Recreation & Library

Request: Request for information on the condition of low voltage lighting focusing on Paseo.

Response: According to Open Space Manager Dave Lee, the low voltage lighting in both Paseos is working. Several lights were out and staff has been directed to replace the bulbs.

Council Request 16-126 (lighting control)

Requested by: Councilmember Barrentine

Assigned to: Public Works/Parks, Recreation & Library

Request: Request for information on who controls lights/electrical at Paseo.

Response: According to Open Space Manager Dave Lee, the lights and electrical are maintained by the Parks Division. The lights are operated off of a photo cell and come on at dusk and turn off at dawn.

Council Request 16-129 (festive lighting)

Requested by: Mayor Jefferson

Assigned to: Public Works/Parks, Recreation & Library

Request: Request for festive lighting on Broadway all year.

Response: According to Open Space Manager Dave Lee, Parks staff will obtain quotes for installing year-round festive lighting for the 3400 block of Broadway. Once bids are obtained, the information will be forwarded to Council for approval.

Council Request 16-130 (cost of holiday lighting)

Requested by: Councilmember Barrentine

Assigned to: Public Works/Parks, Recreation & Library

Request: Request for the cost to put up holiday lighting each year.

Response: According to Open Space Manager Dave Lee, holiday lighting installation costs were \$4,570 for 2014 and \$6,250 for 2015.

Council Request 16-131 (Broadway business input)

Requested by: Councilmember Barrentine

Assigned to: Public Works/Community Development

Request: Request to start working with businesses on Broadway on improvements.

Response: According to Community Development Director Brad Power, Public Works and Community Development staff will partner on an outreach effort to businesses in the Broadway corridor to share the objectives of the short-term improvements scheduled for the area and to gain feedback on desired long-term streetscape elements.

Council Request 16-132 (BID funding)

Requested by: Councilmember Barrentine

Assigned to: Public Works/Parks, Recreation & Library

Request: Request for the amount of BID funding that has been spent and the amount that is left.

Response: The attached spreadsheet, from Accounting Manager Kevin Engels, shows the BID funding figures.

Council Request 16-133 (RV parked on 4888 S. Lipan)

Requested by: Mayor Pro Tem Gillit

Assigned to: Code Enforcement

Request: Request to look into an RV parked on the road at 4888 S. Lipan St.

Response: The attached memo from Srgt. Reid McGrath outlines that the owner of the RV reported it would be parked in the driveway by Friday, July 1.

COUNCIL COMMUNICATION

Date November 19, 2012	Agenda Item 11 a ii	Subject A bill for an ordinance amending the City Code regarding the City's use of public facilities in the City right-of-way.
INITIATED BY City Manager's Office		STAFF SOURCE Michael Flaherty, Deputy City Manager

COUNCIL GOAL AND PREVIOUS COUNCIL ACTION

City Council discussed and recommended this action during the Study Session on October 29, 2012.

RECOMMENDED ACTION

Staff recommends City Council approval of the proposed ordinance amending the Englewood Municipal Code pertaining to use of public facilities in the City right-of-way.

BACKGROUND

The use of public right-of-way and other public places by public utilities and providers of similar services within the City confers public benefit to those providers. In turn, it is appropriate and reasonable that those providers contribute to the City's ability to accomplish its public interest goals through use of the facilities, e.g., light poles, located on public property in a manner that is consistent with the facilities' primary use.

Public utility companies, either through franchise agreement or permit, are granted access to the City right-of-way for placement of facilities. The City, through approval of this ordinance, seeks to require joint use of such facilities for public purpose including, but not limited to, attachment of flags, banners or similar signs announcing public events, demarking business districts, decorative attachments, pedestrian or traffic related safety signs, or other similar attachments.

In May, a public utility issued a unilateral mandate to cities and towns requiring that banners mounted on light poles be removed by December 31, 2012. The South Broadway Business Improvement District had previously secured approval from the utility and the City to mount banners on light poles on South Broadway. In spite of efforts from individual cities, business improvement districts, and others, the utility has refused to extend the deadline while efforts are made to address the safety issues raised by the utility. The proposed ordinance will allow the City, if it chooses, to continue the banner placement until a reasonable agreement is reached with the utility.

ORDINANCE NO. 60
SERIES OF 2012

COUNCIL BILL NO. 61
INTRODUCED BY COUNCIL
MEMBER OLSON

AN ORDINANCE AMENDING TITLE 11, CHAPTER 7, BY THE ADDITION OF A NEW PARAGRAPH 32, OF THE ENGLEWOOD MUNICIPAL CODE 2000 REGARDING THE CITY'S USE OF PUBLIC FACILITIES IN CITY RIGHTS-OF-WAY OR PUBLIC PLACES.

WHEREAS, the City Council of the City of Englewood, Colorado finds that the use of streets, alleys and other public places by utilities and providers of similar services within the City confers a public benefit on private sector, investor-owned entities; and

WHEREAS, the City Council further finds that some of these entities hold franchises from the City and pay certain compensation to the City, which in turn is often directly passed through by the private entity to its customers; and

WHEREAS, the City Council also finds that because the use of public property provides a direct and continuing benefit to private entities, it is both reasonable and appropriate, and an exercise of the City's general police power, that those who utilize public property should contribute to the City's ability to accomplish its public interest goals through the use of facilities located on public property in a manner that is not inconsistent with the facilities' primary use; and

WHEREAS, the City Council further finds that it is the intent of this Section to create a process by which, as additional consideration for the use of the City's streets, alleys and other public places which may be granted by the City; utilities and providers of similar services may also be required to make their facilities within the public property available for City use, to the extent that such use does and not create a material negative impact on a private entity's facilities or operations, and can be accomplished in a manner that is protective of public health and safety.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ENGLEWOOD, COLORADO, AS FOLLOWS:

Section 1. The City Council of the City of Englewood, Colorado hereby authorizes amending Title 11, Chapter 7, of the Englewood Municipal Code 2000, entitled City Rights-Of-Way-Permits And Requirements, by the addition of a new Paragraph 32, to read as follows:

11-7: CITY RIGHTS-OF-WAY-PERMITS AND REQUIREMENTS.

11-7-32: Use of Public Rights-of-Way or other Public Places by Utilities and Similarly Situated Service Providers.

A. Purpose. Every utility and every provider of similar service within the City, regardless of whether it holds a franchise from the City, may be required by the City to permit joint use of its facilities located in the streets, alleys, or other public places in the City, as such may be reasonably practicable. Examples of such joint use may include, but are not limited to, attachment of flags, banners, or similar signs announcing public events, holiday lights and other decorative attachments, pedestrian or other traffic related safety signs, flashing crosswalk lights, flower pots and baskets, and other similar attachments. Such use of said facilities by the City shall not create a material negative impact on a private entity's facilities or operations, and such use may only be considered when it can be accomplished, at the City's discretion, in a manner that is protective of public health and safety. Nothing contained herein shall limit the City's ability to enter into any other type of joint use agreement with utility and other service providers owning facilities located in City streets, alleys, or other public places.

B. Standards. The City Manager or designee may adopt standards for use by the City of a private entity's facilities in City streets, alleys and other public places and shall apply such standards to all similarly situated facilities; provided, however, that such standards may be modified where unusual conditions indicate such a modification will allow for an adequate and safe utilization of such facilities.

C. Enforcement.

1. If the utility or other service provider that is the owner of the facilities in the streets, alleys or other public places objects to any proposed City use of such facilities, the City shall be permitted to undertake a study to address the concerns raised by the facilities' owner. The owner of the facilities shall cooperate in providing the City any information reasonably needed to study and respond to the owner's objections. For purposes of this Section, an owner shall be deemed to have failed to cooperate if it does not provide the City with any information reasonably requested within seven (7) calendar days of a written request.
2. If the City provides information to the utility or other service provider which reasonably demonstrates that its proposed use of the facility will not cause a material negative impact on the utility or other service provider's facilities or operations and will not negatively impact public health and safety, the facility owner shall allow the City's proposed use, subject to any conditions reasonably necessary to insure that the use will not cause the negative impacts described herein. Failure to make such facilities available for City use as provided herein shall be a violation of this Section and may be subject to the penalties under 1-4-1 EMC.
3. It shall be unlawful for any person, including any representative or contractor of a utility or other service provider, to remove flags, banners, or similar signs announcing public events, holiday lights and other decorative attachments, pedestrian or other traffic related safety signs, flashing crosswalk lights, flower pots and baskets, and other similar attachments from facilities located in the streets, alleys, or other public places in the City without receiving advance written permission from the City Manager or designee.
4. In addition to addressing violations of this Section, if a facility owner fails to make its facilities available after the City has provided the information described in Subsections 1 and 2 above, the City Manager or designee is authorized to withhold issuance of a building permit or any other required permit sought by the facility's owner until arrangements have

been made to the City's satisfaction that the requested City use of the facilities in the streets, alleys, or other public places is being provided.

Section 2. Safety Clauses. The City Council hereby finds, determines, and declares that this Ordinance is promulgated under the general police power of the City of Englewood, that it is promulgated for the health, safety, and welfare of the public, and that this Ordinance is necessary for the preservation of health and safety and for the protection of public convenience and welfare. The City Council further determines that the Ordinance bears a rational relation to the proper legislative object sought to be obtained.

Section 3. Severability. If any clause, sentence, paragraph, or part of this Ordinance or the application thereof to any person or circumstances shall for any reason be adjudged by a court of competent jurisdiction invalid, such judgment shall not affect, impair or invalidate the remainder of this Ordinance or its application to other persons or circumstances.

Section 4. Inconsistent Ordinances. All other Ordinances or portions thereof inconsistent or conflicting with this Ordinance or any portion hereof are hereby repealed to the extent of such inconsistency or conflict.

Section 5. Effect of repeal or modification. The repeal or modification of any provision of the Code of the City of Englewood by this Ordinance shall not release, extinguish, alter, modify, or change in whole or in part any penalty, forfeiture, or liability, either civil or criminal, which shall have been incurred under such provision, and each provision shall be treated and held as still remaining in force for the purposes of sustaining any and all proper actions, suits, proceedings, and prosecutions for the enforcement of the penalty, forfeiture, or liability, as well as for the purpose of sustaining any judgment, decree, or order which can or may be rendered, entered, or made in such actions, suits, proceedings, or prosecutions.

Section 6. Penalty. The Penalty Provision of Section 1-4-1 EMC shall apply to each and every violation of this Ordinance.

Title RV Parking Complaint

Parking Enforcement Officer Adrian Curry investigated a report of an RV parked on the street in front of 4888 S. Lipan. Curry contacted the resident and found the RV was parked on the street due to the resident having a roll-off dumpster in the driveway for a clean-up project.

The resident told Curry the RV would be back in the driveway Friday morning. On Friday Curry checked and the RV was not in the area.
