MEMORANDUM

To: Deputy Chief of Police Jeff Sanchez
From: Sergeant Reid McGrath
Date: July 20, 2016
Subject: Council Request 16-134

Council Request 16-134
Assigned to: Police
Date Assigned: July 12, 2016
Title: Code Issues at 4230 S. Galapago St.

I received Council Request 16-134 which detailed concerns about dumpsters in front of the residence with graffiti on them, a dumpster causing damage to the street surface, a fencing concern and overgrown weeds. The original request also requested a status of the case and a history of the property.

On June 16, I received a similar complaint from a resident and investigated the concerns. On the same day I received the complaint, the dumpsters had been removed. There was no damage to the street surface found. Other Code issues persisted on June 16.

On July 15, Code Officer Matthew Creaghe and I inspected 4230 S. Galapago St. The dumpsters remain gone and an additional inspection of the street showed no damage. The condition of the property has improved drastically, but is not fully compliant. The resident was actively working on the property when we arrived and the condition of the property, both inside and out, is dramatically improved. The resident had a court appearance on July 15 and was granted an extension until July 22 to bring the property into full compliance.

Since January 2016, Impact and Code, along with Community Development and the Fire Marshal, have worked collaboratively to bring this property into compliance. Since January, the resident has been issued seven Summonses for numerous Code violations - 15-7-3.A Placement/Removal of Trash, 16-6-6.C Maintenance/Condition of Fence, 7-1A-10.E Removal of Animal Excrement, 7-1A-11 Proof of Current Rabies Vaccination, 15-2-1 Nuisance Prohibited, 15-7-2.A Outdoor Storage (junk), 15-7-4.A Outdoor Storage (property), 15-7-3.C Trash Cans Not Being Properly Covered, 15-6-1 Weeds, and 15-9-1.A Inoperable Vehicle. Many of these charges were brought about after the execution of a search warrant conducted by the Impact Team. The resident was also cited on January 1 for a Public Nuisance related to crime activity from the residence.

Code Enforcement's history on this property dates back to December of 2005. Records prior to this date were kept manually and are not available. Historically, there has not been an enforcement push on the property such as the one starting in January of this year.
