**SUBJECT: TRAFFIC ISSUES ON GIRARD AND LOGAN
COUNCIL REQUEST NO. 16-159**

A resident in the 3300 block of S. Logan Street expressed concerns about a sight visibility problem at Girard Avenue and the alley, east of Logan (between Logan and Pennsylvania). The issue is caused by vehicles parking on Girard along the north side of the street. To correct this situation, the existing No Parking zone was extended from the east side of alley all the way to Logan (along the north side of Girard). The No Parking signs were installed on Tuesday this week.

The other topic the resident spoke about in her email was her concern with continuous parking of the hospital construction workers in the 3300 block S. of Logan. As she mentioned, a petition was prepared last year to establish permit parking in this block; however, staff did not receive the parking petition back. I met with the resident last week and she has indicated that she will let me know (after talking to her neighbors) if she will pursue the petition at this time. Please note that, as of today, we did not hear from her yet about the decision regarding the parking concern.
