SUPPLEMENT-MARTINEZ, JOSHUA

On 3/28/16 at approximately 0050 hrs, I responded to 4169 S Pennsylvania St on the report of a possible DV. Dispatch advised that a male and a female were heard yelling, screaming and slamming doors.

I arrived on scene and assisted officers in monitoring the house for any signs of activity. Officers knocked on the door and at that time I was on the north side of the house by a back window. Officer FALATKO was with me and after several minutes of knocking and loud announcements made by the front door, Officer FALATKO and I heard what sounded like a female's voice whispering "Please help". It was clear to me that someone inside might be in danger and in need of immediate help.

Due to exigent circumstances, the determination was made to enter the residence by kicking the front door open. This determination was made after several minutes of loud knocking and announcing by several officers.

I assisted in contacting several people inside of the residence. I assisted in gathering information of these people to be included in the report. I had no further involvement in this case.

door, and we cleared the residence.

Upon entry we contacted SB1/DIXON, DANA M. (DOB ) in the living room walking towards the front door. I also contacted SB2/BURKE, SEAN P. (DOB ) who was in a back bedroom pretending to be sleeping. There was also a small child (unknown name and DOB) who was sleeping in the back bedroom.

I spoke with SB2/BURKE and informed him of why we were there and why we forced entry. SB2/BURKE informed me he didn't hear anyone whisper for help, but stated SB1/DIXON was upset and yelling about issues from work. Ofc. N. Yosten spoke with SB1/DIXON and she said she did not whisper for help, but she did admit to being upset and yelling about a work issue.

SB2/BURKE informed me he did not want to answer the door when he heard the officer's knocking because he didn't know it was the police.

There was no evidence of any crime and I cleared the scene.

Incident Report written by Officer Ford #1401

On Friday, June 24th, 2016 I was a uniformed officer assigned to the patrol division during Watch 3 in the City of Englewood, County of Arapahoe, and State of Colorado.

At about 0210 hours on June 25th, 2016 EPD officers were dispatched to 4169 S Pennsylvania St in response to a disturbance. The caller advised that she could hear a male and female screaming at each other next-door and that the fight had been going on for hours. Upon arrival officers checked the house and found the door open and inside the home it looked like a fight had taken place. Some furniture had been overturned, papers spread around the house and items seemingly out of place. Officers called inside but there was no answer, just a dog that was barking at officers. Due to the nature of the call officers entered the home to conduct a welfare check on the occupants, but nobody was home although all the lights were on.

I spoke to the neighbor who identified herself as RP1 SEYMOUR ). She advised that she normally doesn't call the police on her neighbors because it causes problems with them because they get mad at her, but when she starts to hear the female shrieking that's when she calls. She stated she didn't hear a physical fight, but heard them arguing and yelling and eventually the female ran outside with the baby and the male followed after her right after. Seymour stated she knows the girl as SB1 M DEIKMEIER

Officers checked the area for and her boyfriend but only found at E Princeton Ave and S Grant St. was very uncooperative with officers. When asked what happened she simply stated that she got upset and just needed to go outside for a break. would not give any more information about what happened. She was advised to call the police if they need any assistance with anything and she returned home.

No Further Action Taken

**SUBJECT:** Council Request 16-202 - 3400 Broadway meeting with businesses

---

**Request for a report on the findings from the meeting with businesses on 3400 block of Broadway.**

3400 Block of Broadway Streetscape Meeting: Staff from Community Development, Public Works and Parks and Recreation met with businesses and property owners from the 3400 block of South Broadway to discuss streetscape improvements. The developer of the Broadway + Acoma Lofts also attended the meeting to answer questions about the project. Topics discussed included the following:

- Developing wayfinding signs to available parking downtown
- Identifying the parking in the alley as 2-hour parking to accommodate customers
- Enhancing lighting in the Acoma area with Medici and Englewood Marketplace
- Restricting contractor parking in areas that are intended for customers
- Working with property owners having large parking fields available to allow additional temporary customer parking.

Finally, there was general consensus at the meeting that the permanent mid-block crossing should be installed over the winter months so as to not disrupt business operations twice by installing a temporary crossing followed by another period of construction/disruption for the permanent crossing. Businesses and property owners signed up for an email notification that will provide timely updates on the project.

Additional information and a summary of actions from this meeting is available in Council Request 16-198: Parking and Temporary Crossing 3400 S Broadway.
