**DATE:** November 2, 2016  
**SUBJECT:** Council Request 16-225

**16-225 (4900 Blk of S. Washington Street)**

Assigned to: Police Department

---

Request for follow up regarding traffic issues (including accidents) in this area.

---

Following an automobile accident that occurred on 10/30/16, (at 10:42 AM) the residents in the area of the 4900 Block of S. Washington Street expressed concern regarding traffic related issues in their block. A request was then made to the Police Department for a copy of the accident report, along with traffic complaints, tickets and accidents for the past 5 years for this area. Additionally, the City Traffic Engineer was scheduled to meet with the residents.

The accident that occurred on 10/30/16 was caused by an "inexperienced" driver who was receiving driving instruction from his step-father who was the passenger. Apparently, the driver lost control due to his inexperience, drove off of the street, across a yard and collided with the house at 4880 S. Washington Street. The step-father sustained an injury and was transported by ambulance to Swedish Medical Center where he was treated and released. There were no other injuries. The driver was issued a citation for Careless Driving, No Proof of Insurance, and driving without a license. It should also be noted that the driver of the vehicle lives in the neighborhood approximately two blocks away.

As requested, attached to this email is a copy of the accident report (dates of birth and driver's license information have been redacted in accordance with policy).

Additionally, a check of calls for service to the police department and a report of officer's activities in the 4700 thru 4900 blocks of S. Washington relative to traffic related issues (for the past five years) was made and revealed only two items, which was a DUI arrest in May of 2014, and the report of an abandoned vehicle in March of 2012.
