

## **Council Request Update**

September 27, 2018

**Council Request: 18-176**

**Requested by:** Council Member Barrentine

**Request:** Request that staff provide additional history of the Employee Benefits and Risk Management funds.

**Assigned to:** Human Resources

**Response:** Please see the response from Human Resources Director Maria Gonzalez

---

**TO:** City Council Members

**FROM:** Maria E. Gonzalez Estevez

**DATE:** September 27, 2018

**SUBJECT:** Employee Benefits and Risk Management funds history

---

The attached documents show 10 year history of the Employee Benefits and Risk Management funds. These two funds have been administered separately for over twenty years. They are operational funds, meaning, they are replenished and expended every year to pay for the health and dental benefits of City employees as well as the property, liability and workers compensation premiums and claims.

The reasons the Benefits and Risk department suggested the merge of the two funds are:

1. Simplify the administration and reporting of the three insurance classifications with more clarity and reporting
2. Streamline best practices and trends within the industry. Risk Management is inclusive of Property/Liability, Workers' Compensation and Benefit classifications.
