## RESIDENTIAL BULK PLANE AND BUILDING HEIGHT CERTIFICATION

To be filled out, stamped and signed by licensed Professional Land Surveyor (PLS) or Professional Engineer (PE) licensed by the State of Colorado. **Mail or email certification to Community Development Planning Division prior to installing/nailing roof sheathing.**

Permit #: \_\_\_\_\_

Building Address: \_\_\_\_\_

Print Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Address: \_\_\_\_\_ Email: \_\_\_\_\_

### A. BULK PLANE HEIGHT CERTIFICATION

I have surveyed the maximum side wall heights at the points where the side wall of the structure intersects the highest roof framing member (typically roof sheathing) for the building located at the address above on (Date) \_\_\_\_\_. The maximum side wall height using the same benchmark shown on the plans is \_\_\_\_\_.

Furthermore, I have reviewed the plans on site bearing the City of Englewood approval stamp dated \_\_\_\_\_ and find that the maximum side wall heights are in accordance with the bulk plane diagrams shown on the approved plans. Please describe any deviation from the City-approved plans on the back of this form.

Signature and Seal  
(Stamped & Dated)

### B. BUILDING HEIGHT CERTIFICATION

I have surveyed the maximum height of the building located at the address above on (Date) \_\_\_\_\_. The maximum building height using the same benchmark shown on the plans is \_\_\_\_\_. I have reviewed the plans on site bearing the City of Englewood approval stamp dated \_\_\_\_\_ and find that the maximum building height is in accordance with the maximum height shown on the approved plans. Please describe any deviation from the City-approved plans on the back of this form.
