FBI and CBI policy on criminal history secondary dissemination: The discovery you receive may contain criminal history information obtained through the Colorado Bureau of Investigation. State and Federal laws govern the use of criminal history information. Pursuant to FBI and CBI policies, a signature is required from anyone legally entitled to receive such information. Additionally, FBI and CBI policies state that criminal history information received shall not be disseminated to any other party, and is to be used for the purposes of this case only. The document (or CD that contains a criminal history) should be destroyed prior to disposal.
