DEPARTMENTAL REPORTS

- **Administration (City Manager's Office and City Clerk's Office)**
 - Council Retreat
 - A draft agenda was developed with input from Council over the last two weeks for the January 27 Council Retreat at Broken Tee
 - See attached and please provide revisions or corrections to Shawn or Tim
 - Council retreat vision worksheets are due to the CMO by January 12; see attached for another copy of the form.
 - New hazardous waste program
 - The City of Englewood now offers its residents on-demand hazardous waste recycling program. Rather than travelling to the Service Center once a year for drop off as before, the new program allows more disposal access, especially for the elderly and disabled.
 - This offering is also less expensive with a \$20 copay instead of \$20 per 10 gallons of waste and \$20 TV and computers drop off.

- **Community Development**

- Building Division Monthly Report – For the November report, click here: [November, 2023](#)
- Will Charles has rejoined the Community Development Department as a Planner II. Will returns to the city after working at a planning consulting firm in the metro area.

- **Finance**

- Happy New Year! The 2024 Budget documents are available on the city's website. Please click on the [2024 Budget Documents Link](#) to access.
- The City Council's hard copies of the 2024 Budget documents are available in each Council Member's mailbox.

- **Parks, Recreation, Library and Golf**

- Library winter reading starts January 8th for adults and young adults (age 16 and up). Prizes will be awarded. Sign up in person at the library starting on January 8th. The program ends on February 16th.
- Englewood Public Library is now fine free! You will no longer be charged fines on overdue items for most collections. Fine free items includes all books, audiobooks, DVDs/Blu-rays, children's music CD's, and LaunchPads. Items such as video games, book club kits, board games, and state park backpacks will still carry late fees. Patrons will still be held accountable for the cost of lost or damaged materials.
- Broken Tee hosted DeAndre Jordan and Kentavious Caldwell-Pope on Tuesday! A lucky golfer was paired with them for the 10:10am round of golf. The post on ZireGolf social media has gone viral with over 50k likes. Golf Digest also picked up the story <https://www.golfdigest.com/story/golfer-gets-paired-with-two-nba-champs-denver-nuggets-early-entry-photo-of-the-year>

- The Recreation Center had a 17% increase in visits in 2023 over 2022 and Malley had a 12.5% increase in the same time frame.
- The Employee 2024 Fitness Challenge begins this month and goes through March. Employees and qualifying dependents receive 50% off select fitness and aqua classes.
- Park Pavilion reservations are available on-line for April 20-October 13, 2024.
- Applications from returning gardeners will be accepted for the 2024 community garden season beginning Monday, January 8th. Applications are available online and at the Englewood and Malley Recreation Centers.
- Pirates Cove after hour rentals are now available along with cabana rentals, birthday parties and season/family passes. All are available to be booked online at piratescovecolorado.com.
- The New Year opens with a new group of aquatic classes being offered from private learn to swim classes to water fitness classes.
- At Bates Logan the new water line for the restroom has been installed and a new irrigation line has been put in place.

- **Utilities**

- It's water leak season due to cold night temperatures and warm days which cause soil expansion and contraction; Utilities crews repaired four leaks this week.
- As a part of the Lead Reduction Program, the program manager continuously updates the Service Line Inventory Map as the material of service lines in the water service area is physically verified. This map is publicly available [here](#).
