### DEPARTMENTAL REPORTS

- **City Manager’s Office**
  - Deputy City Manager Tim Dodd was awarded Assistant City Manager of the Year by the Colorado City-County Management Association on Wednesday. CCCMA staff noted that this was one of the most crowded nomination fields in the organization’s history.

- On Thursday, City Manager Lewis and Deputy City Manager Dodd presented a session at the CCCMA Annual Conference on Building a Positive Organizational Culture. City Manager Lewis also participated on a panel regarding citizen-led development referendums.
- On April 15<sup>th</sup>, the City Council and City Manager's Office celebrated the Elevate Englewood Leadership Academy graduation with nineteen participants.

- **City Clerk's Office**

- There will be a Special City Council Meeting on Monday April 22<sup>nd</sup> at 6:00 p.m. in Council Chambers
- The City Clerk's Office is accepting applications for Board and Commission vacancies. Applications close on Tuesday, May 14<sup>th</sup>. Interviews are scheduled for June 10<sup>th</sup> and 11<sup>th</sup>. [Current list of applicants](#)

- **Communications**

- Englewood in the News:
  - [Driving You Crazy: Why is Highway 285 in Englewood called north and south when it goes east and west?](#)
  - [Englewood-area river cleanup, Earth Day event aim to educate, energize and build bonds](#)
  - [Attempt to tighten Englewood City Council public comment policy stalls](#)

    - [Facility Rentals Website Updates](#)
      - Navigation Improvement: All pages on the Facility Rental website now feature sidebar links to each other, enhancing ease of navigation for users.
      - Cross-Marketing Opportunities: The addition of links between PRLG and Civic Center rentals pages promotes cross-marketing initiatives, maximizing exposure and driving engagement across all facilities.
  - **Community Development**
    - Newsletter – The [April](#) edition of the Community Development Department newsletter.
    - Short Term Rental (STR) Report – The [STR Report](#) for April 18<sup>th</sup>.
    - Citizens Planning School – Week 1 of Citizens Planning School kicked off with Planning Manager Bryan Isham and Chief Building Official Karen Montanez leading a discussion about the development process in Englewood.

- New Business Openings – Invision Sally Jobe has opened at Swedish Medical Center and Brident Dental and Orthodontics opened at 501 W. Hampden Ave.

- **Parks, Recreation, Library and Golf**

- Pirates Cove continues to prepare for the summer season. 104 employees have been onboard, with 54 of them lifeguards. Normal staff levels are 200 employees with 115 of those lifeguards. If you know anyone looking for a great summer job, have them go to [piratescovecolorado.com](http://piratescovecolorado.com).
- Aquatics class updates: Group Swim lessons 236, Private Swim lessons 64, Aqua fitness 275
- A Colorado Golf Association CGA Rules Seminar was held at Broken Tee on April 16<sup>th</sup> with 25 participants.

- The 2024 Active Aging Expo was held at Malley April 18<sup>th</sup> with over 500 hundred visiting 69 vendors. Everyone enjoyed the afternoon.

- Parks staff will be delivering 90 trees from our Arbor Day Tree sale on Friday. Staff will place the trees next to a garage or front door with zero contact with the recipients. This is the most trees we've ever sold. This continues to be a very successful program.

- Sod has been placed around the restroom at Bates Logan and a new solar bench was placed at the Zoo Barn at Bellview Park.

- o Belleview Train update. The train is chugging along. Here is a sneak peek. The train is scheduled to be delivered on April 29<sup>th</sup>.

- o The Library Children's team had fun with all the messy process art participants painting with MUD! Thanks to the Parks team providing the dirt for the art.

- **Public Works**

- South Englewood Flood Reduction Update:
  - Site A: The project achieved substantial completion and Oxford was reopened to traffic on Wednesday this week. The contractor still has some work inside the pipe. The work includes applying the same geopolymer we installed at the downstream end of the project at the intersection of Oxford and Navajo. This work is not going to take place until late May or June and will last about 5 days. There will be some lane closures at the intersection at that time.
  - Site B: The sanitary and storm work at Quincy is scheduled to wrap up in early May with paving to immediately follow. Excavation continues at the ponds and waterline work on Stanford east of Navajo is slated to commence in the coming days.
- Landscaping around the Civic Center loop, on the north side of the building, is being replaced with removal of the old landscaping underway this week. New landscaping is slated to be installed in the next 1-2 weeks.

- **South Platte Renew**

- On Wednesday, April 17<sup>th</sup>, the Outreach team from South Platte Renew (SPR) participated in Coronado Elementary School's Annual Science Fair. The SPR booth showcased a "What not to flush" exhibit, emphasizing items that should never be flushed down the toilet. Additionally, SPR staff engaged the students with an interactive quiz to educate them on water conservation and best practices. This marks SPR's third consecutive year of involvement in this event.
- Also on Wednesday, Jamie Safulko, SPR's Deputy Director – Engineering, contributed to a panel discussion at the Design-Build Institute of America's Water/Wastewater Conference. The panel, titled "Becoming an Owner of Choice in Today's Competitive Market," allowed Jamie to showcase SPR's collaborative approach with contractors in executing construction projects. This platform provided SPR with national exposure as a utility leader in the industry.

- **Utilities**

- As a part of the Lead Reduction Program, the program manager continuously updates the Service Line Inventory Map as the material of service lines in the water service area is physically verified. This map is publicly available [here](#).

### COMMUNITY KUDOS

- My Snow Buddies, Claire Ingram and her husband have been absolutely wonderful. They have come every time that it has snowed and done just a beautiful job. They have helped me so much, I cannot say enough nice things ++about them. I myself have had several broken bones from falls that I have always tried to keep my walks clear for all the walkers who come down my sidewalks. At 76 now, it is getting much harder to do, especially when the snow fall is a deep one. Your program and the wonderful Angles like Claire and her husband are such a Blessing.

Sincerely,

Deanna Berry
