

CITY OF ENGLEWOOD WEEKLY REPORT

Week of July 1, 2024

COUNCIL COMMUNICATIONS

- [Council Calendar](#)
- [Outstanding Council Requests](#)

DEPARTMENTAL REPORTS

- **City Clerk's Office**
 - The Passport Office finished the Month of June with a revenue total of \$14,660 servicing a total of 323 applicants. Passport availability for the Month of July is now open with limited availability.
- **Community Development**
 - Englewood Trolley Report – The Englewood Trolley transported 4,297 riders in June. 283 riders accessed the service utilizing wheelchairs.
 - New Business - On June 20, the Greater Englewood Chamber of Commerce hosted a ribbon cutting for Majeske Insurance, at 3021 S Broadway. Majeske Insurance received a Business Initiation Grant to fund tenant finish expenses.

- **Information Technology**

- Technology Planning
 - Entering final stages of plan development
 - Drafting plan document
- Domain migration
 - Project back underway after a delay related to an issue with migration software.
- Crown Jewels Assessment is near completion.
- Migrated to the new Lumen internet circuit and took old circuit offline. We will be setting up the new Lumen circuit as our primary internet and Comcast as our backup in the coming months.
- Calls for service during the period.

- **Parks, Recreation, Library and Golf**

- Once again, a huge turnout for the 4th of July festivities at Belleview and Cornerstone Parks! Both parks were packed with happy attendees and the fireworks went off without a hitch! Thank you to parks, police, fire marshal, code enforcement, recreation staff for all the hard work putting this event on! #oneteam
- Malley VOA Lunch Volunteers Robin Garcia & Ruth Krueger work hard each week to feed patrons a nutritious lunch. Malley Volunteers are at the heart of Malley's service to the community.

- Pilates helps to improve flexibility, increase core muscle strength, and tone, and bring folks together at Malley! Classes are currently at capacity and patrons are getting stronger each class!

- Broken Tee Gross Revenues are up 19%, Range use is up 20%, Golf Cart Use is up 35%, Green Fees are up 65%, and Par 3 Green Fees are up 52% in revenues compared to last June! Championship Rounds are up 17% with 7224 rounds recorded, and Par 3 rounds are up 23% with 4562 recorded rounds!
- The new robotic mower has arrived at Broken Tee and is being tested at the practice area near the putting green.
- Parks staff set up and took down for the annual Jeremy Bitner event last Saturday. The event was a great success.
- The backflow preventer was stolen from the Rob Roy property. Staff has submitted the paperwork for reimbursement via insurance. Staff will replace the backflow next week.
- Parks staff was at Depot Prairie Park this week removing noxious weeds. Staff used a very limited number of herbicides along the path to kill/ limit weeds. Most of the weeds had to be removed by hand.
- Xcel will be replacing some of the park lights at Northwest in the coming weeks. Staff reviewed and approved their construction/site plan. All the lights will be converted to LED once the new poles are in place.
- Library summer programs are in full swing! From learning about the science of space to putting on plays and competing in the Olympic games, Englewood youth are reading, having fun and learning all summer long. Over 645 kids are registered in summer reading which is up 11% from this time last year. Sixteen programs are offered weekly and this last week over 495 attendees in these programs! Kudos to the library staff who are halfway through the summer reading program!
- Participants enjoy their weekly Seated Yoga class at the Englewood Recreation Center. A weekly virtual option is available for those who opt to take the class at home.

- The Youth Drama program kicked off June 24th – Class runs M-F June 24th- July 19th/ The youth program will perform in their own show on July 19th.

- The June Water Fitness classes at the Recreation Center had 596 participants.

- New art in the Civic Center Amphitheater! Thanks to sponsorship from FastSigns and the work of Toni Arnoldy, Facilities and Communications to spruce up the amphitheater before the Summer Concert Series kicks off next week!

- **Public Works**

- The stormwater crew recently completed a repair of a manhole, located at E Bates Ave and S. Corona St, to prevent a sinkhole from forming. A pavement failure was reported to the team and upon review, was the result of an old brick manhole that was failing. Streets division performed the pavement cut and backfill of the hole. The repair was complete the day after crews were notified. A true one-team group effort. See photos below.

- In addition, over the month of June the Stormwater team focused on and completed cleaning of the alley storm inlets located north of 285. Alley inlets north of 285 were the focus of the team to supplement the on-going inventory and condition assessment for the southern portion of the City.

- **Utilities**

- As a part of the Lead Reduction Program, the program manager continuously updates the Service Line Inventory Map as the material of service lines in the water service area is physically verified. This map is publicly available [here](#).
